

# Health PEI

## We're hiring Social Workers!

Health PEI values the different ideas, perspectives and backgrounds that a diverse, equitable and inclusive work-place culture can bring.

We are currently recruiting Social Workers to join multi-disciplinary teams across our provincial health system.

[View opportunities](#)

- Gain specialized training and experience in a range of therapies and other evidence-based treatments
- Opportunity for close clinical level mentorship
- Join a team with a strong commitment to self-care

**Relocation assistance may be available for eligible full-time permanent positions at the discretion of the hiring manager.**
