

Social Worker

Northern Health is accepting applications for **Social Workers** for many of our communities. We have full time, part time, temporary and casual positions available. Each of our communities offer their own unique lifestyle choices. Our Social Workers are part of a primary care team that provide person and family centred care.

Job Summary

The Primary Care Social Worker functions as a member of the interprofessional team and applies best practice to provide comprehensive assessment, care planning and intervention for people and their families. Working collaboratively with other health care providers and the interprofessional team, the Social Worker provides direct psychosocial care, counselling and group work, system navigation and advocacy, education and linkage to relevant specialized or community resources while facilitating client self-management. The Social Worker is responsible for providing social work services to maintain or improve the health and functioning of persons, families and communities. **What Northern Health has to offer you!**

- Comprehensive benefit packages including MSP, extended health/dental and a municipal pension plan for part-time and full-time employees. Casuals have the option of paying for benefits.
- Four weeks vacation with one year of continuous service
- Financial support for moving expenses is available for eligible positions
- Employee referral program
- Employer-paid training and leadership development opportunities
- “Loan Forgiveness Programs” offered through the Federal and BC Government
- Spectacular outdoor activities and the shortest commutes in BC

Job Qualifications

- Bachelor’s Degree in Social Work from an accredited university.
- Two years recent related experience in a healthcare, or a combination of related education, training and experience.
- Current registration with the British Columbia College of Social Workers.
- Current valid BC driver’s license
